JUNIOR LEAGUE OF
PUEBLO

THE JUNIOR LEAGUE OF PUEBLO

WHO WE ARE

Since 1977, the women of the Junior League of Pueblo, a 501(c)(3) organization, have been an instrumental force of positive change in our community.

Made up of 133 women, the Junior League of Pueblo membership is diverse with a vast variety of personal and professional backgrounds, interest, and life stages. However diverse this group of women may be, we all share the same commitment to our Mission: to promote volunteerism, develop the potential of women, and improve the community through the effective action and leadership of trained volunteers.

Our purpose is exclusively educational and charitable. One of the greatest strengths of Junior League is our ability to offer extensive training to our members. This training includes areas such as leadership and organizational development, community needs assessment, strategic planning, communications, advocacy, and fundraising.

We provide women opportunities to get hands-on experience through volunteer work and nonprofit management.

That is one of our ultimate goals: develop the League into the greater community, sharing what they've learned with other nonprofits and making a real difference.

Throughout the year the Junior League of Pueblo puts on several fundraising events to raise money for our programming and develop our members through various forums. Those that have benefited from or attended any of our Community Impact events (e.g. Touch A Truck and Holiday with Heroes) know how important they are to the children of Pueblo. The training opportunities we provide to our League members help develop women so as to better prepare them for Leadership within the work-force, at home, or in other organizations in our community. Help us continue our efforts by becoming an event sponsor.
