## Message from the President

**Sandra Proud**  
President 2014-2015

Dear League members,

The second half of the league year is in full swing and great things are happening.

The Board had a very productive and fun mid-year weekend retreat in January. We reviewed the first half of the year, discussed upcoming events and made some adjustments to the budget. It is so important to make sure that we are on track for the rest of the year and the future.

Kids in the Kitchen was a very successful event. The cooking classes were overflowing with kids

and they were all having a great time and enjoying healthy food. The vendors and activities upstairs were busy all day as well. It was great to see so many ladies at the event working hard and having fun at the same time.

It is almost time to vote for the chair positions for next year. I encourage everyone to think about whether or not you would like to be in one of the chair positions next year or a part of the Board in years to come. I can't stress enough how rewarding and fun it is to be a part of the Board. The training and experiences that you receive will benefit you tremendously.

It's going to be a busy three months but the end results will be worth it. Keep up the good work ladies!!

Sincerely,

Sandra Proud  
President

## Let your Light Shine Active Spotlight

**Donna Souder-Hodge**

Allow me to introduce Donna Souder-Hodge. Donna was born and raised in Texarkana, Texas, a small town in East Texas that straddles the Texas/Arkansas border. She attended university at Lyon College, a private university in Northern Arkansas, where she majored in Biology. Ironically, Donna did not become a medical doctor. Instead, she received her doctorate in Rhetoric from Texas Woman's University in 2008, much to the relief of anyone who ever suffered through her squeals during a frog dissection. "I always thought being a scientist would be great! I dreamed of working for NASA or Johns Hopkins, way before I really understood what that meant. My mother was a teacher, so, of course, I thought I didn't want that future. But here I am, happier than I ever imagined!"

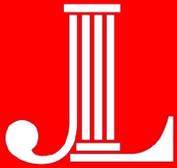

Donna and her husband, Dustin, have lived in Colorado for eight years, but they only moved to Pueblo four years ago. Donna spends her days at CSU-Pueblo, where she is an Associate Professor of English, the university's Director of Writing, and the coordinator of the English Program's summer study abroad program. This year, she and Dustin will spend May in France, Italy, Greece, and Turkey. Ask her about her wedding ring; Dustin bought it for her in Edinburgh, Scotland, a special place for both of them. In her "free" time, she and Dustin own Hodge Productions; together, they write, film, and produce a national TV show, which airs on RFD TV to over 300,000 viewers every week. **Listen closely, and you'll hear Donna's Texas accent do the show's opening every week!**

Of course, Pueblo has already secured a special place in Donna's life too. Donna tells us, "Growing up, I had a wonderful role model for service. My mother was very involved in our community, and the Junior League was always an important part of any big community event.

*Joining the Junior League was the best decision I made. I immediately discovered a group of likeminded women. These ladies are involved and hard-working: they're strong, independent women; they're parents, CEOs, and advocates in our community. I'm lucky to be a part of this organization and all these ladies do in Pueblo. I know we have so much still to accomplish, but the future has great things in store for this organization and the women of Junior League."*

Donna currently serves on the Board of Directors for the Pueblo Symphony, the Pueblo Zoo, and the Southern Colorado Spay & Neuter Adoption Clinic.

Donna's favorite saying is "In the end, we only regret the chances we didn't take." And she's lived her life with this in mind. "I love my life, but it's been full of weird, often scary, twists and turns that I never could have predicted. And, I haven't regretted a single second! Great love, friends, and a job that makes my life meaningful? What more could one woman want?"

## Let your Light Shine Sustainer Spotlight

**Jill Ball**

### The Passionate Puppeteer

Jill Ball, a Texas Native, was born and raised in San Antonio, TX. She completed college at the young age of 20 and taught high school math in Texas, Hawaii, and California. While teaching, Jill also completed her Master's Degree in Reading Education. She met her husband while in Hawaii, and supported him through medical school.

The couple has three sons who were all born in different states (California, Texas, and Oregon). Though she has traveled all over the globe, her favorite place is Rocky Mountain National Park where she enjoys hiking.

Jill and her family relocated to Pueblo in 1985 and she was introduced to Junior League by Linda Duhon who was an Active member at the time. "I wanted to do my volunteer work during the day, during the week. "Kids on the Block", fit that bill, she says of the project in which she was the main character. Kids on the Block was a puppet show that traveled to all of the Elementary schools in Pueblo discussing drug abuse. Jill's puppet was on stage for the entire production and had to answer all of the questions that the 4th-5th grade students posed. The program ran for more than 8 years educating children on the effects of drugs as well as peer pressure.

*Junior League has enriched her life because of the amazing members she has met as well as helping her get involved with the Pueblo community when her family first moved here. Her hope for the JLP is that it survives. "I think it is so hard for women to be employed, moms, and volunteer in the community"*

It was a ball interviewing the woman behind the puppet, and getting to know such a fabulous Junior League Sustainer.

## 'Girls' Gone Mod'

### "Girls' Gone Mod" theme for 11th Annual GNO; Sponsors begin signing on!

After record attendance at last year's Junior League of Pueblo Girls' Night Out (GNO) 10th anniversary event, the Junior League of Pueblo (JL) is pleased to announce that it will host its highly-anticipated 11th Annual GNO from 5 to 9 p.m. on Friday, April 17, at the Pueblo Convention Center. GNO is a tradeshow/fashion show and – in addition to being ladies' favorite night out – is JL's primary fundraiser to support its signature children's literacy and health programs.

While the event continues to grow in sponsorships, attendance, and participation, it's time to shake it up a bit. To make the reoccurring event unique and fresh, we've themed it **"Girls Gone Mod,"** with the goal of celebrating the reemerging "Mod" fashion and sub-culture which celebrates the "highly visible woman seeking change and progress." For those not familiar with Mod, it's a movement born from a British youth subculture from the mid-1960s and late 1970s that focused on streamlined fashion, angled prints and underground jazz-inspired music that defined the intellectual modernists that favored the independent and progressive woman.

After requests from vendors and an additional hour, and will floor fashion show featuring Mod Sustainers, and a performance band, Andy, Brook, and Ryan of 9:00p.m. Don't forget a free fashion and music that can be 60 local vendors. ### Sustainer GNO 'Thank You' Wine Night Scheduled for Thursday, Feb. 12 at the Home of Megan Murillo

Sustainers, thank you for your generous contribution toward last year's Celebration Toast for the 10th Anniversary Girls' Night Out. Your donation helped us make the celebratory event truly special. The event wouldn't have been a success without your help and we'd love to say thanks in person, and provide information on how you can support us this year.

Please join us for our inaugural "GNO Sustainer Appreciation Night" from 5:30 to 7:30 p.m. on Thursday, February 12, 2015 at the home of JL Member Megan Murillo, 204 Dunsmere Ave., 81004. We'll have appetizers, wine and lots of info on the two ways in which you can support GNO this year. One of which means lots of fun digging into your closet!!! RSVP by contacting Cara Fitzgerald by emailing [carafitz0615@gmail.com](mailto:carafitz0615@gmail.com) or 250-1436 by Monday, February 9, 2015. Please come, and learn about our upcoming event and let us say thanks! We appreciate your support!

## Kids in the Kitchen

Children's health and wellness has been one of Junior League of Pueblo's main focuses. The fourth annual Junior League of Pueblo's "Kids in the Kitchen" event was held at Pueblo Community College on January 24, 2015. With help from the PCC Culinary Arts program, we were able to inspire future young chefs to create hearty and delicious snacks that can easily be made at home. Upstairs in the Fortino Ballroom it was "Pack" full of action. With help from CSU-Pueblo Athletics families learned new activities on how to stay active while having fun!
