Dear Community Friends and Businesses,

It is with great pleasure to announce the Junior League of Pueblo's next community impact event, "Holiday with Heroes." With the help of so many amazing community partners, the event will provide both a fun and educational opportunity that fosters positive relationships between our unsung heroes and protectors: Policemen, EMTs, Firefighters and Teachers and other remarkable men & women who continuously make a difference in our world, and children in our community. The family-friendly holiday fair will feature several holiday activity stations that include crafts, games, photos with Santa, and more. Family passes will be available at \$20, with a portion of the proceeds benefitting children from participating Bridges and Kids Crossing foster programs. Children from our partnering foster programs will be admitted at no cost.
